## Sistema 84 con anta Dafne

Sistema84 propone diverse soluzioni di anta tra cui la preziosa Dafne. Anta in mdf 22 m laccata con verniciatura a 5 mani. Aspetto tridimensionale grazie alla bugna e telaio. Adatta alla costruzione di un effetto contemporaneo ma con le linee essenziali della tradizione.

## Laccato Poliестere

Laquer Polyester Matt/ Laqué Polyestère

## Struttura di base

La struttura della cucina passa dalla profondità standard di 60 cm a ben 65 cm. Tale soluzione aumenta la capienza complessiva della base e la profondità del piano, quindi la superficie lavoro. Questa soluzione unita allo zoccolo da 6 cm e la struttura H 84 cm ridefinisce i volumi in cucina.
